1. Basis for Preparation

1.1 General accounting policies

The interim financial report of Courteville Business Solutions Plc comprises a summary of the financial statements of the company. The interim financial report has been prepared in accordance with IAS 34, Interim Financial Reporting. They do not include all disclosures that would otherwise be required in a complete set of financial statements and should be read in conjunction with the 2017 annual report.

1.2 Significant Accounting Policies

The preparation of interim consolidated financial statements in compliance with IAS 34 requires the use of certain accounting estimates. It also requires the management to exercise judgment in applying the accounting policies. There has been no material revisions to the nature and amount of changes in estimates of amounts reported in the annual financial statements for 2017.

Courteville Business Solutions Plc has applied the same accounting policies and methods of computation in its interim financial statements as in its 2017 annual financial statements, except for those that relate to new standards and interpretations effective for the first time for periods beginning on (or after) 1 January 2018, and will be adopted in the 2018 annual financial statements.

None of the new standards and amendments that are effective for the first time for periods beginning on (or after) 1 January 2018 have a material effect on Courteville Business Solutions Plc
